Message from the President

Greetings from your Diocesan Executive. We hope that you are weathering the winter and like the rest of us looking forward to spring. A lot has happened since the 2018 annual conference. Our thanks to the men of the Church of the Epiphany, Woodstock for hosting. In this newsletter you will find a link to the registration form for our upcoming annual conference in Wallaceburg on April 27th. The organizing committee has put together a great list of speakers with a theme of "Respecting Indigenous Culture". We hope you can make it.

We started our year with a meeting in June at Huron Church Camp. Members helped out with work in prepping the camp for summer campers. Rev Adam gave us a tour of the facility and showed us where there is the greatest need for improvements.

Our next meeting in March will include a tour of Monica Place in Waterloo.

There are a few deaneries that have no representation on the diocesan Executive Committee. If you have an interest in working with us at the Diocesan level, please email me or speak to a member of the Executive.

Membership and Chapters

We have seen a drop in membership and some loss of chapters over the last few years. This is a trend we want to reverse.

Currently there are 14 chapters in 7 deaneries with a membership of approximately 260. Many will recall the days when our membership totaled over 2000.

We are planning a round table discussion at the annual conference to get your ideas about how we can grow our membership and re-establish our chapters. Bring your ideas to the annual meeting in April.
