BAC Executive Report

Greetings from your executive.

We hope that you had a great 2019 and are looking forward to a prosperous, successful 2020.

Your Executive continues to work on your behalf and in your service, We exist at the executive level to support members and chapters in the parishes across the Diocese.

We are putting together an informative conference which will be hosted in the London area this year. You can expect reports and updates from our partners at Huron University, Monica Place and Huron Church Camp. You can also expect a robust discussion concerning the membership challenges that we are facing.

On the issue of membership and on your behalf, we have had discussions with former Bishop Linda and with the executive of the ACW. We are requesting a meeting with Bishop Todd and will report to the membership at the annual meeting about any options that we may wish to consider about our structure and membership. We welcome any input that you would like to offer. Email them to me at parsons@kent.net

We look forward to seeing you in April.

Membership and Chapters

Over the winter we received the unfortunate news that the BAC at Old St Paul's Woodstock has folded. In an email from the rector, reasons for folding were cited as an aging and declining membership.

This is not a new issue for the BAC and one that we will prayerfully discuss at our up-coming conference.

Please be assured that the Executive continues to work on this issue and is engaged with Deanery and Diocesan groups to look at viable alternatives to our current structures and relationships.
