### BAC Executive Report

Your BAC executive met again by video conference on April 25, 2020 and continues to work on your behalf. Because the Annual Conference had to be cancelled, the Executive agreed to appoint our Vice President as President Pro Tem. Vic Templar will take on the leadership responsibilities for the BAC until we are able to convene as an organization again and officially elect him into the position of President.

We heard from Wilf Clegg that Monica Place is doing well under the current lock down processes. The residents of the home in Waterloo as considered one family and routines inside the building are normal.

You may have heard that our Chaplain was in an automobile accident and is currently on leave from his church duties. He tells us he is recovering well. Our prayers are with Chris during his recovery.

We are waiting word from Huron Church Camp whether the camp will go forward this summer. This will also impact our next executive meeting plans and the scheduled camp clean up day on June 20th, 2020.

Stay well.
