Fall 2021

BAC Executive Report

On 23rd October 2021 we were able to have via Zoom our Annual General Meeting at which we inducted the executive board, the members as set out in the second column. As you all know it wasn't possible to hold our 70th Conference but we have decided to hold our 75th Conference when hopefully Covid-19 is something of the past. A total of 25 members joined the meeting.

We will be supporting our usual beneficiaries Monica Place, Camp Huron and Huron University College. If any member knows of any organization which they think should be supported please let us have the details of such an organization.

Our constant aim is to increase our membership so if there is anyone you feel would be willing to join our Brotherhood please let us know and if you feel you need assistance in this connection please advise us so we can help to arrange it.

Due to continuing COVID-19 concerns, the date for our Annual Conference in 2021 was changed to **October 23rd**. This change was needed because of continuing issues with COVID.

The general membership was open to a Voice and Vision get-together over ZOOM!
