March 2022

BAC Executive Report

The BAC Executive Council met on the 19th of March and, on behalf of chapters and members, considered a number of issues.

Ukraine's population

After some discussion it was decided to make a donation of \$1000 to the Red Cross to be used in their support of the population in Ukraine. The Government of Canada match's these donations.

Huron University College

We have supported an Old Testament Scholarship at Huron University College and the recipient this year, Brendon Bedford, will receive the scholarship on the 1st of April. President Vic Templar will be attending to make a presentation on our behalf.

Camp Huron

The BAC will be helping at the annual cleanup (cutting grass, painting, fixing items and fellowship) on the 18th June. It will be appreciated if BAC members can also volunteer. We will also be having a BAC executive meeting that day. Our ZOOM option will be available to directors and guests.
